

AMENDMENTS TO THE ABSTRACT

Please amend the abstract as follows:

~~This invention relates to an amorphous form of fexofenadine hydrochloride, to a process for the preparation thereof, and to a composition containing it.~~

The invention relates to a solid, amorphous form of fexofenadine hydrochloride. The amorphous fexofenadine hydrochloride may be incorporated into a pharmaceutical composition with one or more pharmaceutically acceptable excipients or carriers and used to treat a condition for which fexofenadine hydrochloride is indicated.
